

Dear Local Union President:

The Grand Rapids Fire Fighters Union would like to invite you to be a part of the 47th bi-annual Michigan Professional Fire Fighters Union Convention being held on May 4th, 5th, and 6th 2006. The Grand Rapids Fire Fighters will be hosting the convention this year at the Amway Grand, and over 300 Fire Fighters from around the State of Michigan will be in attendance.

If you wish to show your support of this event, we have set aside space for your Local to advertise in the Program. Monies raised from your support will help fund this publication, as well as support Grand Rapids Fire Fighters and their causes. We have enclosed a breakdown of advertising costs for your consideration

Additionally, if your department has an honor guard, and they would like to participate in the opening ceremonies, please contact us.

Thank you in advance for your contribution to this event.

Sincerely,

**William E. Smith, President Local 366
